PANEL FEEDBACK:

Please note:

- 1) All scholarships and bursaries are non-transferrable and there is no cash alternative.
- 2) The Academy is under no obligation to make all of the awards every year.
- 3) Scholarship and bursary places are only awarded on the proviso that a minimum of one term is then taken up AT FULL PRICE following the completion of the bursary/scholarship year.
- 4) You will still be eligible to pay exam entry fees, even if you are on a full scholarship, as these are payable to the exam boards and not the Academy.
- 5) Scholarships and bursaries are intended to help students from low-income families receive performing-arts tuition at the Academy. HMRC defines 'low income' as 26k or under for families with children.
